Pierson Community Day

On May 4, 2019, the Pierson staff welcomed approximately 800 community members and Pierson alumni to walk the halls of Pierson Elementary School and to reminisce about experiences at the school. It was a wonderful celebration of the school and a reminder to all who attended of Pierson's positive and lasting impact on educating the children in Clinton. The Morgan Video Class filmed and produced a special video "Pierson-Thank You for 87 Years." It represents a collection of thoughts, reflections, memories, and stories from current and former staff of the Abraham Pierson School. [Click here to view the video.](#)

BOARD OF EDUCATION POLICY REVISIONS

The Board of Education Subcommittee has been working diligently to review and update the district policy manual. The Board has reviewed the entire series of Student Policies and will be sharing the updated policies with parents and students as the new school year opens.

TRANSPORTATION CHANGES

We are currently working with M & J Bus Company to adjust the routes for the new school year. In addition, we are evaluating our drop off and pick up procedures at Joel and Eliot to ensure student safety and efficiency of the processes. Bus routes, updates, and any necessary changes to traffic patterns will be shared with parents in August.

CLASSIFIED EMPLOYEE OF THE YEAR

Becky Keating, a paraprofessional at Eliot, has been selected as Clinton Public Schools' Classified Employee of the year for 2018-19. The award was first presented in 1989 and, every year since, has been given to an employee nominated by faculty and staff for their dedication to the students of Clinton and for "providing service above and beyond what the regular job requires."

A direct descendent of Jared Eliot, for whom the Jared Eliot Middle School is named, Ms. Keating often enhances student learning by inviting guest speakers into the classroom, creating additional resources for students on her own time, and bringing in museum-quality artifacts from home. Becky will also be retiring at the end of the 2018-19 school year. She will be missed!
