

June 14, 2019

NOTICE

Pre-Emergent, Crabgrass Control and spot spray broadleaf weeds applications will be applied to the Morgan fields. This is scheduled for Tuesday or Wednesday, June 18 or 19, 2019, weather dependent.

Fields will be closed on Tuesday or Wednesday, June 18 or 19, 2019

All work will be performed in accordance with IPM (Integrated Pest Management) guidelines. All areas will be clearly posted on the day of application by the contractor.

Respectfully,

Gonzalo Carrion
Director of Buildings & Grounds
